yoshimi sato

この漫画を描くようになって、
取材という視点から、
牧業関係を見ることが多くなりました。
そして、TVが伝えるラーメンの姿はもちろん、
私のもっていたアキバ系のイメージさえ、
街の一面でしかないことに気がつきました。
「街」って無限の物語を紡ぐくるものなんですねぇ。

COMMENTS

メロンブックス秋葉原店さんは
地下にあります。
むかし、友人達との間で
このお店のことを
ボッカチオの小説にちなんで
「デカメロン」と呼ぶことを
発案しましたが…
全く定着しませんでした。

正解はなんでしょう…？

IT DOESN'T SEEM LIKE THAT WAS THE ORIGINAL INTENT?
And why doesn't it seem to be too technical?
THIS... WHEN DID IT TURN INTO A ROBO**N MANGA...

THAT'S... WELL... WHAT IF THIS WAS MY OWN PERSONAL APRON DRESS?
TO GO EVERYWHERE IN A MAID OUTFIT... HOW TYPICAL IS THAT OF THE PATH OF THE MAID?

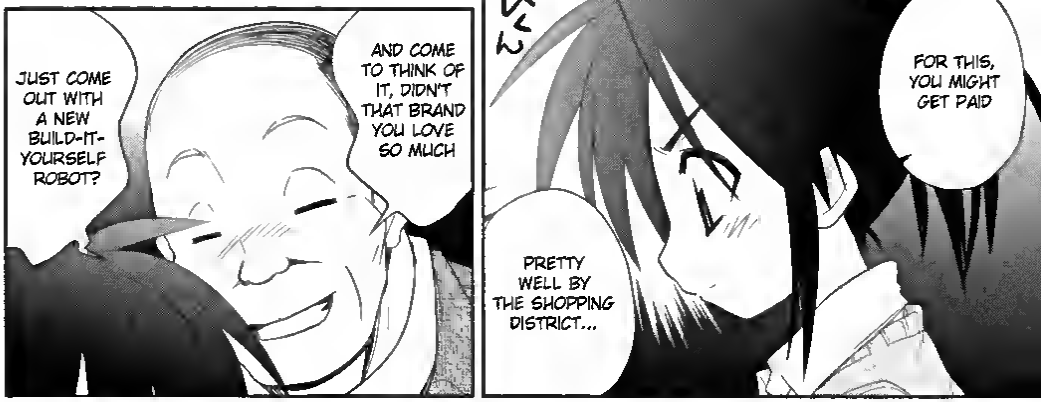
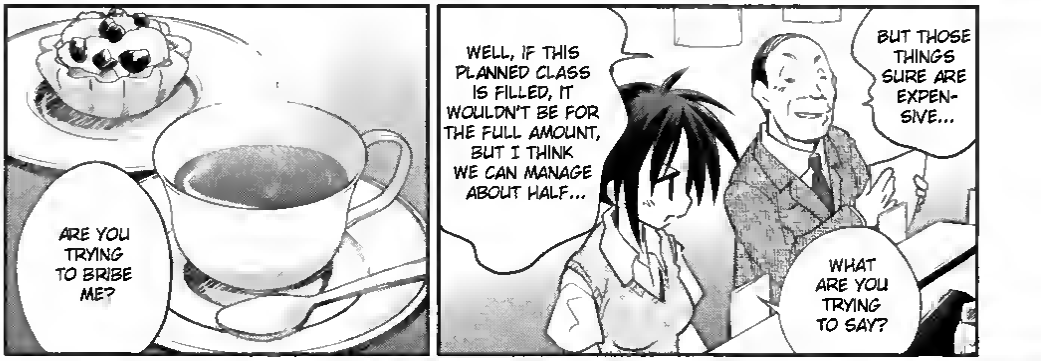
YUP!
THIS SUMMER VACATION, I'D LIKE YOU TWO TO TEACH AT THIS ELECTRONICS CLASS.
夏休み
電子工作教室
HUH!?
VS!?
NO WAY!
I HATE KIDS, AND IT'S NOT MY KIND OF THING...
DON'T SAY THAT I WAS THINKING OF THE FUTURE OF THIS SHOPPING DISTRICT...
DIDN'T I HELP YOU PUT UP POSTERS?
NO WAY, I HAVE MY STORE TO ATTEND TO.
I'LL PASS...
AN ELECTRONICS CLASS TAUGHT BY A HIGH SCHOOL GIRL... WOULDN'T WORD GET AROUND?
OH YEAH, SUZU-CHAN.
HOW ABOUT THIS?



FOR THIS, YOU MIGHT GET PAID
ぴん
PRETTY WELL BY THE SHOPPING DISTRICT...
AND COME TO THINK OF IT, DIDN'T THAT BRAND YOU LOVE SO MUCH
JUST COME OUT WITH A NEW BUILD-IT-YOURSELF ROBOT?



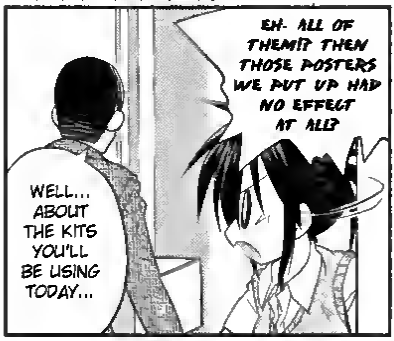
BUT THOSE THINGS SURE ARE EXPENSIVE...
WELL, IF THIS PLANNED CLASS IS FILLED, IT WOULDN'T BE FOR THE FULL AMOUNT, BUT I THINK WE CAN MANAGE ABOUT HALF...
WHAT ARE YOU TRYING TO SAY?
ARE YOU TRYING TO BRIBE ME?

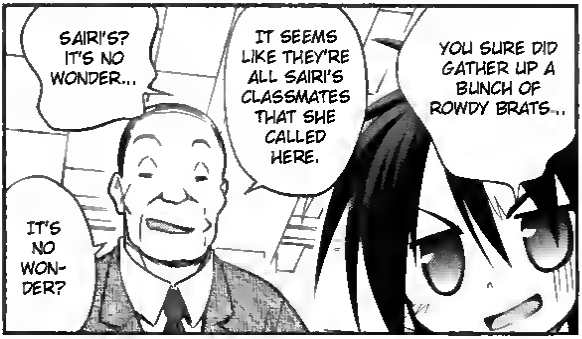
DO YOU DISLIKE BEING BRIBED?
ゴゴゴゴ
NO, I LOVE BEING BRIBED!
ぺろっ
SUZU-CHAN, HOW GREEDY...
ALRIGHT, IT'S DECIDED! NOW, ABOUT THE AGENDA...

HEY, MIDORI?
WHAT IS IT, SUZU-CHAN?
HOW MANY TIMES ARE YOU ALLOWED TO HIT A KID?
I DON'T REALLY THINK YOU SHOULD HIT THEM AT ALL....
第8話 electronics recommendations
transistor teaset

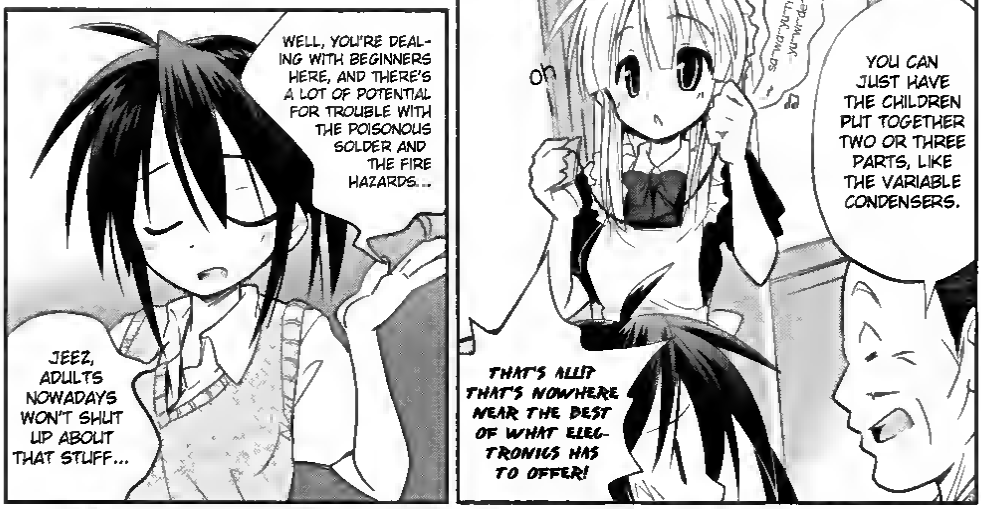
RATHER THAN ENERGETIC... HOW DO YOU SAY...?
WELL... THOSE KIDS SEEM TO BE PRETTY ENERGETIC...
WHY DID I AGREE TO THIS WITHOUT THINKING IT THROUGH?

NOTE: MONSTER HUNTER





SAIRI'S? IT'S NO WONDER...
IT SEEMS LIKE THEY'RE ALL SAIRI'S CLASSMATES THAT SHE CALLED HERE.
YOU SURE DID GATHER UP A BUNCH OF ROWDY BRATS...
IT'S NO WON-DER?



WELL, YOU'RE DEALING WITH BEGINNERS HERE, AND THERE'S A LOT OF POTENTIAL FOR TROUBLE WITH THE POISONOUS SOLDER AND THE FIRE HAZARDS...
JEEZ, ADULTS NOWADAYS WON'T SHUT UP ABOUT THAT STUFF...
~PRAWLING OUTLOOKBALLS~
YOU CAN JUST HAVE THE CHILDREN PUT TOGETHER TWO OR THREE PARTS, LIKE THE VARIABLE CONDENSERS.
THAT'S ALL? THAT'S NOWHERE NEAR THE BEST OF WHAT ELECTRONICS HAS TO OFFER!

NOTE: "SAWAYURI NO YUUYUU WIDE," A LONG-RUNNING RADIO PROGRAM. HTTP://TBSRADIO.COCOLOG-NIFTY.COM/YUYU/

ANYWAYS, GOOD LUCK!
EEH!? YOU'RE JUST GOING TO WATCH!?
BE SURE TO HAVE LOTS OF FUN, NOW!
ALRIGHT, EVERYONE~ THIS IS HANDA SUZU-SENSEI. SHE'LL BE TEACHING YOU ABOUT ELECTRONIC HANDICRAFTS TODAY.

WELL, EVERYBODY!
LET'S ALL HAVE FUN WITH THESE ELECTRONICS!
UM...
EH, UH...
A HIGH SCHOOL GIRL'S TEACHING AN ELECTRONICS CLASS... FPH-
UWAA~ SHE'S SO FAKE...
SHE MUST NOT HAVE A BOYFRIEND...
A HIGH SCHOOL GIRL?
IF I JUST THINK THAT THIS IS FOR MY ROBOT...!
ENDURE IT... JUST ENDURE IT...
JUST LIKE I THOUGHT...
THESE BRATS ARE...
DIODES AND TRANSISTORS ARE BOTH KINDS OF SEMICONDUCTORS...
SUZU-CHAN... DO YOUR BEST!
F- FIRST... LET'S LEARN ABOUT WHAT EXACTLY ELECTRONICS ARE...
ELECTRONICS ARE WORKS THAT UTILIZE TRANSISTORS.

AND THAT'S THE BASIC OUTLINE OF THE HISTORY OF ELECTRONICS AND ITS MAIN PARTS.
haa
haa
EVERYBODY, DO YOU UNDERSTAND!?
せあっ
SU... SUZU-CHAN?
...AND THAT'S WHAT BROUGHT IC TO THE WORLD.
コチ コチ
AND THANKS TO THE SPREAD OF IC, THE WORLD OF ELECTRONICS CHANGED DRAMA-TICALLY.
YOU COULD PROBABLY CALL THE CURRENT AGE THE HEIGHT OF IC.
SHE REALLY DOESN'T HAVE A BOY-FRIEND~
GROSS!
OTAKU GET LIKE THAT RIGHT AWAY
UWAA~ SHE SURE DID TALK A LOT!
AH, IT'S OVER?
SUZU-CHAN.. IT'S NOT THAT BIG OF A DEAL...
CALM DOWN!
DON'T MESS WITH YOUR ELDERS, YA DUMD-ASSES!!
BRING IT!! HOW ABOUT I GIVE YOU A SMACK!!
WHO JUST CALLED ME AN OTAKU!!?

HELP ME OUT, DAMMIT...
SUZU-CHAN, FORGET ABOUT THE INTRODUCTION! GET TO THE CONSTRUCTION!
SO BORING...
CAN I PLAY MOSO-CHAN?
ALRIGHT, LET'S START WITH THE CONSTRUCTION
EVERY-ONE..
SOLDERING IRONS GET REALLY HOT, SO BE CAREFUL
I...
eraser
EVERYONE... TRY USING THE SOLDERING IRON UNTIL YOU'RE AS COMFORTABLE WITH IT... AS..
I ACTUALLY WANTED TO USE THE ENVIRONMENTALLY-FRIENDLY LEAD-FREE TYPE, BUT IT'S KIND OF HARD TO USE SO WE'LL PASS ON THAT FOR NOW.
solder is really hot!
THERE ARE LOTS OF TYPES OF SOLDER, BUT TODAY WE'LL BE USING THE KIND THAT'S EASIEST TO WORK WITH.
HIGH SCHOOL GIRLS ARE STUPID IN GENERAL, HUH...
HOW STUPID
AND IT WAS JUST A JOKE...
UWAA... SHE TOOK IT SERIOUSLY
...THESE BRATS...
100Ω 50v
YOU'VE GOT SOME NERVE!! I'LL TAKE YOU ON!!
BRING IT!!
THEY'RE WAY ABOVE ERASERS, YA DUMB-ASSES!!
AND LET ME SAY, I'M USING ELECTRO-LYTIC CONVERTERS AS MY WEAPONS!!

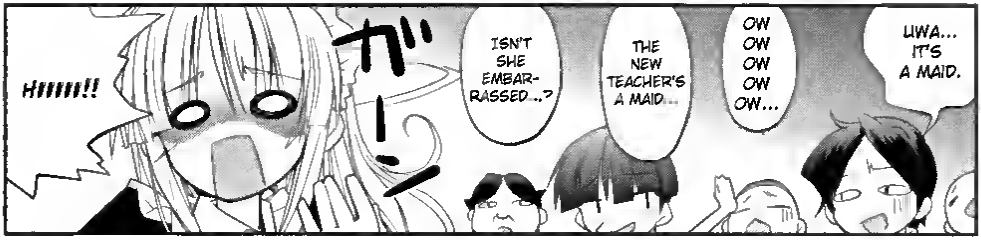
OKAY... LET'S GET TO PLACING THE SOLDER.
LOOK AT STEP ONE IN YOUR INSTRUC-TIONS.
コチ
コチ
HEY! SUZU-CHAN, OVER HERE!
WE'LL TAKE A FIVE-MINUTE BREAK..
FIRST, PLACE THE LEAD IN THE INSTAL-LATION HOLE.
solder is really hot
TOUCH THE SOLDERING IRON TO THE LEAD AND INSTALLATION HOLE, AND HEAT IT A LITTLE.
WHILE IT'S TOUCHING, YOU MOVE THE LINE OF SOLDER TOWARDS IT...
...AND THE SOLDER WILL MELT ON ITS OWN AND ADHERE TO IT AND THAT'S IT.
チリ
チリ
IIWA! THIS STINKS!
SOMETHING STINKS LIKE MACHIN-ERY...
WHAT ARE YOU SAYING!?
STINKS~
ほみゅみゅ
AH... THIS SMELL.. THE SMELL OF MELTING SOLDER...
MY ANGER IS FADING, AND MY HEART IS BEING HEALED..
WHEN THIS SWEET SMELL WARMS YOUR HEART,
THAT IS TRUE ELECTRONICS MANIA.

THE SCENT OF MELTING SOLDER
MAKES MY HEAD GO NUMB
AND WARMS MY ENTIRE BODY...
IT'S MADE OF THIS SWEET... SENSUAL WONDER...!
THIS LADY'S MESSED UP...
UEH... SERIOUSLY?
BUT IT SMELLS SO BAD.
YOU POOR THINGS, NOT UNDERSTANDING ITS GREATNESS ..
HAHA HAHA~ WHAT WOULD SOME BRATS KNOW?
I'M SORRY, SUZU-CHAN! I DON'T UNDERSTAND IT EITHER!!
I'M TALKING ABOUT THE WORLD OF ADULTS...
はん。
WELL, IT'S STILL TOO EARLY FOR YOU KIDS.
You're entering into a dangerous world!
SUZU-CHAN!?
ALRIGHT, SOME VENTILATION...
ガラ
ANYWAYS, THE VAPORS RELEASED FROM THIS ARE PRETTY HARMFUL, SO DON'T GO SNIFFING THEM JUST BECAUSE THEY SMELL GOOD.

...EH?
HOW ABOUT THAT!! ELECTRONICS ARE INTERESTING, AREN'T THEY!!
OH...
YOU DID IT BEAUTIFULLY, YOU'RE GOOD AT THIS!
LIKE THAT!
YEAH, YOU PUT THAT THERE. AND WITH THAT TIMING, YOU PLACE THE LINE OF SOLDER
SUZU-CHAN...?
NO, THIS IS FUN! IT'S FUN!!
I CAN'T TELL JUST FROM THIS...
IT LOOKS LIKE YOU'RE ENJOYING IT MORE THAN VIDEO GAMES!!
UWAA! WATCH OUT!!
TAKE THIS!!
HEAT BLADE!!
!!!

DON'T PLAY WITH SOLDERING IRONS!!
THIS IS NOT A TOY!!
Her eyes are serious.
YES... WE'RE SORR-...
URYA! LIGHT-SABER!
YOU TOO, YOU LITTLE BRATS!!
DIDN'T YOU JUST SAY THAT THESE AREN'T TOYS!?
UWAA!
YOU SHUT UP!!

ALRIGHT... WITH MY MAID POWER...!
AAH... THIS IS BAD.
SUZU-CHAN'S IN TROUBLE...
SHUT UP! FORGET ABOUT ME!!
ギャーギャー
THAT'S NOT FAIR!!
I'M MIDORI, YOUR NEW TEACHER!
てててて-
ガチャ
しゃきーん
WHERE ARE THE POORLY-BEHAVED CHILDREN AT?

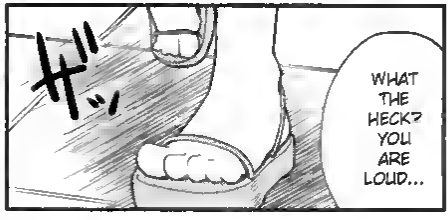


Hiiiii!!
ガーン
ISN'T SHE EMBARRASSED..?
THE NEW TEACHER'S A MAID...
OW OW OW OW OW...
UWA... IT'S A MAID.

SUZU-CHA-N!!
UWAA-N!!
I WONDER ABOUT HER FUTURE...
haa
SHE'S ALREADY AN ADULT...

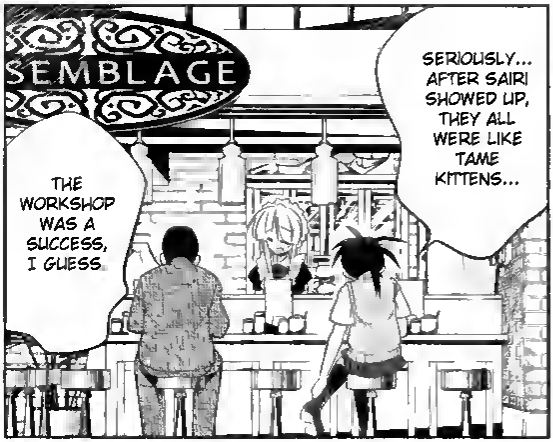
OH, SO YOU'RE ALL HERE.
ひょこっ

WHAT A FEARSOME BUNCH.
MY HEART'S BEEN SULLIED BY THOSE GRADE SCHOOLERS!!
I'VE BEEN SULLIED!
ナデナデ



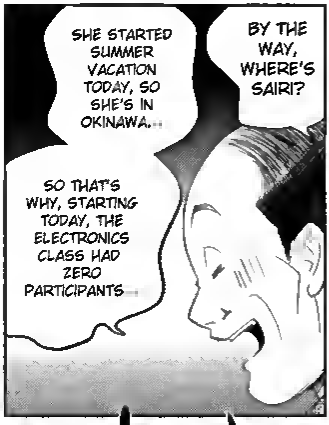
ガッ
WHAT THE HECK? YOU ARE LOUD...

OH... ARE YOU GUYS TAKING THIS SERIOUSLY...?
Y- YEAH! OF COURSE WE'RE SERIOUS!
すごっ
!?
SA-SA-SA-SAIRI-SAN!!
SUZU-SENSEI! WE'RE COUNTING ON YOU!!
I DON'T CARE ABOUT THE MAID, BUT I'LL KILL YOU IF YOU MAKE SUZU-CHAN CRY.
O- OKAY!
ALRIGHT. I'LL BE WATCHING FROM BEHIND, SO CARRY ON
AND AFTER THAT,
THE DAY'S ELEC-TRONICS CLASS ENDED WITHOUT INCIDENT...
EVERYBODY'S GOT SUCH A NICE EXPRESSION...
WHAT THE...?
???



SEMBLAGE
THE WORKSHOP WAS A SUCCESS, I GUESS.
SERIOUSLY... AFTER SAIRI SHOWED UP, THEY ALL WERE LIKE TAME KITTENS...

MY GRAND-DAUGHTER SURE IS POPULAR, HUH?
SO THAT'S IT... SAIRI'S CLASS-MATES WHO AT-TENDED THE CLASS WERE ALL INTER-ESTED IN HER.

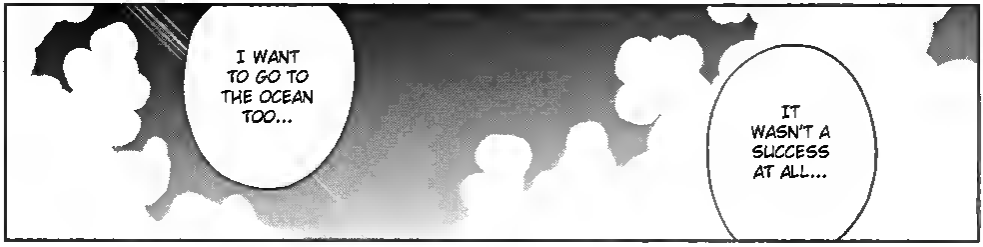


BY THE WAY, WHERE'S SAIRI?
SHE STARTED SUMMER VACATION TODAY, SO SHE'S IN OKINAWA...
SO THAT'S WHY, STARTING TODAY, THE ELECTRONICS CLASS HAD ZERO PARTICIPANTS...

I HAD GRADE-SCHOOLERS WORRYING ABOUT MY FUTURE...

BUT I... THEY CALLED ME A HIGH SCHOOL GIRL OTAKU WITH NO BOYFRIEND...

す
ま



I WANT TO GO TO THE OCEAN TOO...
IT WASN'T A SUCCESS AT ALL...

トランジスタ・ティーセット～電気街路図～

transistor teaset

ELECTRONICS

THE MATERIALS USED IN ELECTRONIC GOODS; THAT WHICH USES SOLDER TO CONNECT ITS SEMICONDUCTORS AND TRANSISTOR COMPONENTS; IF THERE ARE PEOPLE WHO MAKE KITS (THINGS WHICH INCLUDE INSTRUCTIONS ON HOW TO ASSEMBLE THE NECESSARY PARTS), THERE ARE ALSO PEOPLE WHO ASSEMBLE THE CIRCUITS ON THEIR OWN.
